

Investigation & Surveillance

Personal and Corporate espionage is a rapidly growing phenomenon in our highly competitive and complex global economy. **Core Group Security Consultants** employs a whole spectrum of investigative skills and state of the art surveillance equipment and technology, psychological techniques, creative profiling methods, allowing ethical investigative strategies to acquire photographic, videotape, computer evidence. We also have one of the top schools in the nation, teaching the latest techniques in investigations, surveillance, technical surveillance and counter surveillance.

Investigation and Surveillance is as much art as it is science. Find out what is really happening. In today's day and age more people are taking a second look at who it is they are letting into their daily lives. Make sure you know who it is you are doing business with, work with or may even be living with. Our services include background checks, undercover investigations, witness statements & location services, surveillance, identity theft, intelligence dossiers, leverage intelligence, missing persons, counter stalking and kidnapping, insurance investigations, civil & criminal investigations, and video and photographic evidence.

Computer Espionage

As you go about your Internet business, you are under already most likely under surveillance. The U.S. laws that are supposed to protect computer security are minimal and the odds of someone getting caught, using spy tactics and vulnerabilities, searching for evidence, levels of encryption, snooping with keyloggers and detecting keyloggers, use of Trojan horses, eavesdropping on networks, eavesdropping on Wi-Fi networks, electromagnetic eavesdropping is slight unless pre-emptive and proactive measures are taken.

In order to conduct any type of operations, you first need to know the integrity of those people you allow into your inner circle. We are Las Vegas specialists, having been in the area for over twenty years. We have been vetted by the Nevada Private Investigators Licensing Board and maintain both Private Investigators license as well as a Private Patrolman's License.
